Thank you for buying 'close-up'  
The diagram shows how to assemble  
your magnifying mirror

Fit the two screws into the base and  
tighten onto the mirror stem

Clean using a soft damp cloth  
and mild soap and glass cleaning  
solution

Do not use abrasive or bleach  
cleaners as these will damage  
the surface finish

Do not leave any part of this product  
in contact with water

Includes: x 2 cross head  
screws
